Government Consulting

Touring

Ashley is a Senior Consultant of GSL Government Consulting and GSL Touring. She specializes in communications, grant writing, and assisting the GSL team with economic development initiatives. She is a member of our live events client service delivery team, working with industry business managers, tour accountants and individual artists' touring companies.

Ashley is a member of Republican State Committee, the executive director of the Building a Stronger Pennsylvania PAC, social media and communications director for various political campaigns, campaign coordinator and political director for a Pennsylvania state senate member, county coordinator for a U.S. senate candidate, and a former campaign advisor to statewide attorney general candidate.
